## GNP SASOL

- TO WHOM IT MAY CONCERN -

I, Benoit Patanchon, acting as Plant&Logistics Manager for the JV WBHO/SPIECAPAG, hereby confirm that JUMBO TRANSPORT is currently involved on the project GNP Sasol 26" Gas pipe – 150km Long and is currently working with the pipe transportation & stringing crew and the Tie in crews. At that time, JUMBO mobilized a brand new fleet of crane trucks, an efficient staff on site, very reactive to client requirement and fully involved, jointly with JV HSE department, to meet JV safety standards.

Regards

**Benoît PATANCHON**
